Terms & Conditions

NOTE: Please read all terms and conditions carefully.

Entry qualifications

Entry is open to UK residents only aged 7–11. No employee of Film Education or their families, or its agents or sponsors, may enter. By entering the promotion, entrants agree to be bound by all the stated terms and conditions, and warrant that if necessary they have secured permission to enter and to be bound by the terms and conditions from a parent, teacher or other responsible adult. Due to the nature of the prizes, entries must come through a school. Only one entry per person is allowed; we will accept group entries with a maximum of two individuals per group. In the case of group entries, all students within the group must either attend the same school or, where students within a group are from different schools or colleges, they must, on their entry form, nominate one institution to receive the schools' prize in the event of that being a winning entry. Where group entrants are of different ages the group must elect to enter in ONE of the age categories most appropriate to the ages of the group members. Film Education reserves the right to cancel or amend the promotion at any time and to disqualify any entrant if it has reasonable grounds to believe that the entrant has breached any of these terms and conditions. Submission formats are A4 sheets of paper or scanned jpg files. Film Education does not accept responsibility for damaged or corrupted files or files that could not be opened. There is no purchase requirement to enter any promotion. Unfortunately Film Education is unable to return any entries.

Awarding prizes

Closing date for receipt of entries is Monday January 18th ; winners will be notified by the end of the Spring term 2010 and winners' names will be posted on Film Education's website. Proof of posting cannot be accepted as proof of delivery. Film Education is not responsible for any technical malfunction of any computer or telephone equipment, or for any error, failure or delay in operation or transmission as a result of server problems, virus, bugs or other causes outside its control. The judges' decision is final and no correspondence will be entered into. Details of the prizes will be confirmed at a later date. There is no cash alternative to any prize. Film Education reserves the right to substitute prizes of equal or greater value. Prizes are nontransferable.

Copyright

All entries must be entirely original. By signing the submission form entrants certify that their submissions are their own work. Each entrant assigns to Film Education the copyright in any entry, which shall be for the full period of copyright. Film Education shall be free to assign such rights to third parties. Intellectual property displayed in promotional literature or on a Film Education website is the property of Film Education or other proprietors. It may not be copied, transmitted or used in any way without the prior consent of the applicable copyright holder.

Any personal data relating to entrants will be used solely in accordance with current UK data protection legislation and will not be disclosed to a third party without the individual's prior consent.
