

HIGH SCHOOL MUSICAL

Teachers' Notes

The activities on this CD-ROM have been written for teachers of mixed-ability pupils at Key Stages 2 and 3. They are designed to be entertaining learning activities that could be used in the latter half of the summer term in addition to seeing the film for free at the cinema (see www.filmeducation.org/screenings).

The CD-ROM can be used on an interactive whiteboard or a computer.

Curriculum focus areas:

Start of Something New
