

WORKSHEET 1 - ANIMATION

Choose one of the UK forest animals shown in the UK Forest Life information sheets and turn it into an animated character in the style of Open Season. Animate a single movement (e.g. walk, fall, jump) by using the flick book animation technique.

BADGER

FIELD MOUSE

HEDGEHOG

NB: For help with creating flick books, go to <http://www.filmeducation.org/primary/animation/index.html>
To see more examples of Open Season characters go to: www.openseason-movie.co.uk.
