

RUSTIES AND ROBOTS

During his time in the big city Rodney Copperbottom™ meets a range of robots from street-smart 'rusties' to shiny sleek robots. Like human beings, each robot has his or her own distinctive personality and attributes.

Starting with Rodney the aspiring inventor, think about each robot's personality, ambitions, actions and appearance. Use describing words to complete the character comparison grid.

CHARACTERS	PERSONALITY	AMBITIONS	ACTIONS	APPEARENCE
Rodney 				
Fender 				
Piper 				
Cappy 				
Ratchet 				
Madame Gasket 				
Bigweld
