

What would life be like if you had webbed feet and hands?

Kermit famously said that 'it's not easy being green'. Why do you think he said this?

Imagine Kermit as a young frog on his lily pad. If someone had asked him what he wanted to be when he grows up, what would he have said?

Disney THE MUPPETS

Kermit is a small frog with a big heart. He's a born entertainer – determined to make people happy through his singing, dancing and banjo playing. Having made his way from the lily pad to the limelight, Kermit is the leader of the Muppets and the founder of the Muppet Show. In *The Muppets* movie, Kermit is brought out of retirement to try and re-group the other Muppets and save their theatre from being torn down.
